RESEARCH EXPERIENCE

2023-now **PhD Student** - Unravelling the Impact of Affective States on Creativity: A Neurocognitive investigation
Supervisor: Dr. Alizée Lopez-Persem
Laboratory: Paris Brain Institute (ICM) - Frontlab – CreaTeam

2022-2023
6 months **Graduate internship, Research assistant** - Generalization of the role of subjective valuation in creativity
Supervisor: Dr. Alizée Lopez-Persem
Laboratory: Paris Brain Institute (ICM) - Frontlab - CreaTeam

2022
2 months **Internship** - Electrophysiological source localization during gait inhibition
Supervisors: Dr. Nathalie George, Déborah Ziri
Laboratory: Paris Brain Institute (ICM) - Experimental neurosurgery

2021-2022
1 year **Internship** - Interpersonal synchrony as a substrate of emotion alignment
Supervisors: Dr. Julie Grèzes, Victor Chung
Laboratory: Laboratory of Cognitive and Computationnal Neurosciences (LNC2) - Social cognition group

2021
4 months **Research engineer** – Evaluation of cognitive and motor abilities
Undergraduate internship - Broca involvement on language fluency
Supervisor: Dr. Irene Cristofori
Laboratory: Marc Jeannerod Institute of Cognitive Sciences (ISC) - CNRS

2021
2 months **Internship** - Cognitive and cerebral bases of auditory hallucinations in schizophrenia
Supervisor: Dr. Marine Mondino
Laboratory: Lyon Neuroscience research Center (CRNL) - PSYR2 Team

2020
1 month **Internship** - Introduction to clinical research
Supervisors: Dr Alice Poisson, Dr Caroline Demily
Laboratory: CH Le Vinatier & Marc Jeannerod Institute of Cognitive Sciences (ISC)

EDUCATION

2021-2023 **M.Sc of Cognitive Science (Cogmaster)** - École Normale Supérieure (ENS-PSL)
Selection: 4% of admission in the Major ‘Neurosciences’
Major: Cognitive neurosciences
Minor: Computational modelling

2018-2021 **B.Sc of Human Physiology** - Claude Bernard University Lyon 1
Modules: Neurophysiology, Molecular and cellular biology, animal physiology, genetics, statistics
Optional modules: Neurosciences, Introduction to psychology, Travel through the brain

ADDITIONAL TRAININGS

2026 **Computational Psychiatry Courses (CPC) –** Translational Neuromodelling Unit, University of Zurich & ETH Zurich
Topic·s: Theoretical and hands-on modelling (brain / behavior) applied to the field of psychiatry

2025 **Computation Decision Sciences (CDS) –** University of London Holloway
Topic·s: Theoretical and hands-on from reinforcement learning to complex collective behavior
COGNESTIC – Cambridge University – Cognition and Brain Units (CBU)
Topic·s: Neuroimaging analysis with open-source libraries
Neuromatch – online
Topic·s: Computational neurosciences methods in python

2024 **Human Brain Anatomy Course -** King’s College London – Dr. Paul Johns, Institute of Neurology

(UCL)
Topic·s: Descriptive and practical observation of human brain specimens

2024 **Information Theory and self-organization** – Sydney University – Dr. Joseph Lizier (online)
Topic·s: System dynamics and information theoretic metrics definition and uses

SCIENTIFIC COMMUNICATIONS

PRESENTATIONS

2026 **Poster –** Symposium on the Biology of Decision Making (SBDM), Paris, France
Battistello, G., Tang, J., and Lopez-Persem, A., *The modulatory role of emotions on creativity through the lens of individual preferences.*

2025 **Poster –** Society for Neurosciences of Creativity (SfNC), Paris, France
Battistello, G., Tang, J., Vinckier, F. and Lopez-Persem, A., *How is mood related to creative idea evaluation?*
Poster – Symposium on the Biology of Decision Making (SBDM), Lyon, France
Battistello, G., Tang, J., Vinckier, F. and Lopez-Persem, A., *Dissecting decision processes of creativity in depression: preserved valuation mechanisms aside from altered monitoring of goal-directed dimensions.*

2024 **Poster –** Society for Neuroeconomics (SNE), Lisbon, Portugal
Poster – Marconi Institute for Creativity (MIC), Cagliari, Sardegna
Poster – Orbitofrontal Cortex (OFC), Paris, France
Poster – Cognitive Neurosciences Society (CNS), Toronto, Canada
Talk – Society for Neurosciences of Creativity (SfNC), Toronto, Canada
Battistello, G., Moreno-Rodriguez, S., Volle, E. and Lopez-Persem, A., *Domain-generalization of valuation in creative ideation.*

2023 **Poster** – Poster Prize of the Ajité·e·s (ICM), Paris, France
Poster – Colloque Jeunes Chercheurs (CJC Fresco), Paris, France
Poster – Forum of Cognitive Sciences (FSC), Paris, France
Battistello, G., Moreno-Rodriguez, S., Volle, E. and Lopez-Persem, A., *Generalization of the role of subjective valuation in creativity*.

2022 **Talk** - Central European Cognitive Science Association (DUCOG 2022), Dubrovnik, Croatia
Chung, V., **Battistello**, G., Pacherie, E., Mennella, R. and Grèzes, J., *Implicit and explicit mechanisms of collective emotion: moderators and correlates of interpersonal emotion alignment in dyads watching film clips together*

PUBLICATIONS & DISSERTATIONS

2025 **Battistello**, G., Moreno-Rodriguez, S., Volle, E. and Lopez-Persem, A., *Subjective valuation as a domain-general process in creative thinking*. Commun Psychol 3, 108

2021 **M.Sc Dissertation** - Ecole Normale Supérieure, Paris
Battistello, G., Chung, V., and Grèzes, J., *Interpersonal synchrony as a substrate of emotion alignment*.

2020 **B.Sc Dissertation** - Claude Bernard University, Lyon
Basttistello, G. and Cristofori, I., *Broca's involvement in peripheral motor activities: a lesion-study*.

TEACHING EXPERIENCE

2026 Teaching Assistant – *Literature review & Meta-analysis* – Master of Cognitive Science (ENS)

2025 Speaker – *Artificial Neural Networks to probe creativity* – Master iMind (PSL)
Teaching Assistant – *Literature review & Meta-analysis* – Master of Cognitive Science (ENS)

2024 Speaker – *Probe creativity with experimental approach* – Master iMind (PSL)

SUPERVISED STUDENTS

Methodological supervision – M.Sc students (x3)
Conceptual supervision – B.Sc student (x1)

SCIENTIFIC ENGAGMENTS & PUBLIC OUTREACH

2025	Volunteering for the organization of Society for Neuroscience of Creativity (SfNC) Co-organization of a MasterClass on Creativity at the Paris Brain Institute Co-organization of a public intervention Creativity at the Paris Brain Institute (Brain Week)
2024	Volunteering for the organization of Cognitive Neuroscience Society (CNS) Volunteering for the organization of Society for Neuroscience of Creativity (SfNC)
2023	Animation of a roundtable on bipolarity (Fabien Vinckier Ph.D M.D., Ariane Monceau, writer) during the 26e Brain Awareness Week Co-organization of the INSERM public intervention – Creativity & Neuromyth Co-organization of a MasterClass on Creativity at the Paris Brain Institute

ASSOCIATIVE WORK

2025	Head of the Treasury of the the Ajité·es (association of researchers at the Paris Brain Institute) Head of the Listening Unit of the the Ajité·es (listening units supporting well-being at work)
2024	Head of the Treasury of the the Ajité·es
2023	Head of the Treasury of the the Ajité·es Co-organizer of the Art Club of the Ajité·es

AWARDS

2026	Training grants in Computational Psychiatry – PROPSY-EDU (University of Bordeaux, France) Project Prize – Hacktion Potential (Paris Brain Institute, France)
2023	Poster Prize of the Ajité·es
