RESEARCH EXPERIENCE

2023 – present
PhD Student
Unravelling the impact of affective states on creativity: a neurocognitive investigation
Supervisor: Dr. Alizée Lopez-Persem · Paris Brain Institute (ICM) – FrontLab – CreaTeam

2022 – 2023
6 months
Graduate internship, Research assistant
Generalization of the role of subjective valuation in creativity
Supervisor: Dr. Alizée Lopez-Persem · Paris Brain Institute (ICM) – FrontLab – CreaTeam

2022
2 months
Internship
Electrophysiological source localization during gait inhibition
Supervisors: Dr. Nathalie George, Déborah Ziri · Paris Brain Institute (ICM) – Experimental Neurosurgery

2021 – 2022
1 year
Internship
Interpersonal synchrony as a substrate of emotion alignment
Supervisors: Dr. Julie Grèzes, Victor Chung · Laboratory of Cognitive and Computational Neurosciences (LNC2) – Social Cognition group

2021
Undergraduate internship, then Research engineer
Broca's involvement in language fluency
Followed by 3 months as research engineer: evaluation of cognitive and motor abilities
Supervisor: Dr. Irene Cristofori · Marc Jeannerod Institute of Cognitive Sciences (ISC) – CNRS, Lyon

2021
2 months
Internship
Cognitive and cerebral bases of auditory hallucinations in schizophrenia
Supervisor: Dr. Marine Mondino · Lyon Neuroscience Research Center (CRNL) – PSYR2 team

2020
1 month
Internship
Introduction to clinical research
Supervisors: Dr. Alice Poisson, Dr. Caroline Demily · CH Le Vinatier & Marc Jeannerod Institute of Cognitive Sciences (ISC), Lyon

EDUCATION

2021 – 2023
M.Sc in Cognitive Science (Cogmaster)
Major: cognitive neuroscience (4% admission rate) · Minor: computational modelling
École Normale Supérieure (ENS – PSL), Paris

2018 – 2021
B.Sc in Human Physiology
Modules: neurophysiology, molecular and cellular biology, animal physiology, genetics, statistics
Options: neuroscience, introduction to psychology, travel through the brain
Claude Bernard University Lyon 1

PUBLICATIONS

2025
Subjective valuation as a domain-general process in creative thinking
Battistello, G., Moreno-Rodriguez, S., Volle, E. & Lopez-Persem, A.
Communications Psychology, 3, 108 · doi:10.1038/s44271-025-00285-8

Dissertations

2021
Interpersonal synchrony as a substrate of emotion alignment
Battistello, G., Chung, V. & Grèzes, J.
M.Sc dissertation, École Normale Supérieure, Paris

2020
Broca's involvement in peripheral motor activities: a lesion study
Battistello, G. & Cristofori, I.
B.Sc dissertation, Claude Bernard University Lyon 1

TALKS & POSTERS

2026 **The modulatory role of emotions on creativity through the lens of individual preferences**
Battistello, G., Tang, J. & Lopez-Persem, A.
POSTER Symposium on the Biology of Decision Making (SBDM), Paris, France

2025 **How is mood related to creative idea evaluation?**
Battistello, G., Tang, J., Vinckier, F. & Lopez-Persem, A.
POSTER Society for the Neuroscience of Creativity (SfNC), Paris, France

2025 **Dissecting decision processes of creativity in depression: preserved valuation mechanisms aside from altered monitoring of goal-directed dimensions**
Battistello, G., Tang, J., Vinckier, F. & Lopez-Persem, A.
POSTER Symposium on the Biology of Decision Making (SBDM), Lyon, France

2024 **Domain-generalization of valuation in creative ideation**
Battistello, G., Moreno-Rodriguez, S., Volle, E. & Lopez-Persem, A.
TALK Society for the Neuroscience of Creativity (SfNC), Toronto, Canada
POSTER Cognitive Neuroscience Society (CNS), Toronto, Canada
POSTER Society for NeuroEconomics (SNE), Lisbon, Portugal
POSTER Marconi Institute for Creativity (MIC), Cagliari, Italy
POSTER Orbitofrontal Cortex meeting (OFC), Paris, France

2023 **Generalization of the role of subjective valuation in creativity**
Battistello, G., Moreno-Rodriguez, S., Volle, E. & Lopez-Persem, A.
POSTER Ajité·es poster session, Paris Brain Institute (ICM), Paris, France POSTER PRIZE
POSTER Colloque Jeunes Chercheurs (CJC FRESCO), Paris, France
POSTER Forum of Cognitive Sciences (FSC), Paris, France

2022 **Implicit and explicit mechanisms of collective emotion: moderators and correlates of interpersonal emotion alignment in dyads watching film clips together**
Chung, V., **Battistello, G.**, Pacherie, E., Mennella, R. & Grèzes, J.
TALK Central European Cognitive Science Association (DUCOG 2022), Dubrovnik, Croatia

TRAINING

2026 **Computational Psychiatry Course (CPC)** IN PERSON
Theoretical and hands-on modelling of brain and behaviour applied to psychiatry
Translational Neuromodelling Unit, University of Zurich & ETH Zurich

2025 **Computational Decision Sciences (CDS)** IN PERSON
From reinforcement learning to complex collective behaviour
Royal Holloway, University of London

2025 **COGNESTIC** IN PERSON
Neuroimaging analysis with open-source libraries
MRC Cognition and Brain Sciences Unit, University of Cambridge

2025 **Neuromatch Academy** ONLINE
Computational neuroscience methods in Python

2024 **Human Brain Anatomy Course** IN PERSON
Descriptive and practical observation of human brain specimens
With Dr. Paul Johns (Institute of Neurology, UCL) · King's College London

2024 **Information Theory and Self-Organisation** ONLINE
System dynamics and information-theoretic measures
With Dr. Joseph Lizier · University of Sydney

TEACHING & SUPERVISION

2026 **Teaching Assistant**
Literature review & meta-analysis
Master of Cognitive Science (Cogmaster), ENS – PSL

2025 **Teaching Assistant**
Literature review & meta-analysis
Master of Cognitive Science (Cogmaster), ENS – PSL

2025 **Invited lecturer**
Artificial neural networks to probe creativity
Master iMind, PSL University

2024 **Invited lecturer**
Probing creativity with an experimental approach
Master iMind, PSL University

M.Sc Methodological supervision of three M.Sc students

B.Sc Conceptual supervision of one B.Sc student

AWARDS & GRANTS

2026 **Training grant in computational psychiatry**
PROPSY-EDU, University of Bordeaux

2026 **Project Prize, Hacktion Potential hackathon**
Paris Brain Institute

2023 **Poster Prize of the Ajité·es**
Paris Brain Institute

SERVICE & OUTREACH

Conference organisation

2025 Volunteer, organisation of the Society for the Neuroscience of Creativity (SfNC) meeting

2024 Volunteer, organisation of the Cognitive Neuroscience Society (CNS) meeting

2024 Volunteer, organisation of the Society for the Neuroscience of Creativity (SfNC) meeting

Public outreach & science communication

2025 Co-organisation of a MasterClass on creativity
Paris Brain Institute

2025 Co-organisation of a public event on creativity (Brain Awareness Week)
Paris Brain Institute

2023 Moderator of a roundtable on bipolar disorder (26th Brain Awareness Week)
With Dr. Fabien Vinckier (MD, PhD) and writer Ariane Monceau

2023 Co-organisation of the INSERM public event "Creativity & Neuromyths"

2023 Co-organisation of a MasterClass on creativity
Paris Brain Institute

Institute life: the Ajité·es · Association of young researchers at the Paris Brain Institute

2023 – 2025 Head of the Treasury

2025 Head of the Listening Unit (support for well-being at work)

2023 Co-organiser of the Art Club

LANGUAGES

French (native) · English (C1) · Spanish (B1) · Italian (A2)
